

Thanks to Carol Levine, who got this 'warning' this morning....

It would be too easy for any of us to recognize this as a fake, wouldn't it?

Find the obvious errors. It's not a contest. You win nothing, except the satisfaction you can spot spam a mile away.

Dear Wellsfargo User,

Thank you for choosing Wellsfargo, We are hereby notifying you that your online access needs to be reviewed on our server for security reasons and some additional security needs to be added.
